Sir:

Enclosed herewith is an Information Disclosure Citation, PTO Form 1449A, for the above-identified application. The Examiner may find the patents, references and information submitted herewith, and as identified on the attached form PTO-1449A, material to the examination of the instant application. The Examiner is requested to consider these references and make them of official record in the instant application. A duplicate copy of the attached form PTO-1449A is enclosed for the Examiner to use for initialing and returning to Applicant.

The Examiner is also notified of the following commonly owned U.S. patent applications: 09/714,579 and 09/826,055.

This Information Disclosure Statement is not to be construed as a representation that a search has been made, that additional information material to the examination of this specification does not exist, or that any one or more of these citations constitute prior art under 35 USC §§102 or 103.
